2. A health physical must be provided. You can use the "Health Physical" at the top of page 5 of the health form by getting it completed and signed by professional medical personnel, OR you can provide a copy of a health physical that has been completed for your child within the past 24 months.
3. You may write in your child's immunizations on page 5 or provide a copy of immunization records.
4. Parent signatures are needed on pages 4, 6, 7 (twice), and 8.
5. It is okay to submit the health form as soon as you have completed it and send the physical later.

A new pre-camp health screening form is required by the 4-H camp for each camper. Please complete the screening by taking your child's temperature and recording it each day for the 14 days prior to camp. Screening will start on June 20. Each camper must turn in the form at camp check-in when arriving to camp. The form is found on page 8 of the camp health from packet.

#### **COVID19 PROCEDURES**

Following are our current COVID19 procedures for the week of Grange Camp. We will keep you informed of any changes in restrictions as we move closer to camp.

1. All campers will receive a temperature check when arriving to camp. Those riding the buses to camp will receive a temperature check before boarding the bus. If the temperature is over 100.4, the camper will not be allowed to travel to or attend camp.
2. Temperature checks will be given at the cabins each morning before going to breakfast. Any camper with a fever will be quarantined separately and will need to be picked up from camp.
3. Campers will need to bring 7 disposal masks for the week, a new one for each day.
4. As of now, campers will need to wear masks for indoor and outdoor activities. Mask breaks will be taken, and we will have more updates and rules on wearing masks as we get closer to camp.

**NORTH CAROLINA 4-H YOUTH DEVELOPMENT PROGRAM  
LIABILITY WAIVER, ASSUMPTION OF THE RISK, PHOTO & MEDIA RELEASE,  
AND INDEMNIFICATION YOUTH AGREEMENT**

In consideration of NC State University and/or NC A&T State University allowing my minor child to participate in the North Carolina 4-H Program, (hereinafter "Program"), I, for myself and/or on behalf of the minor child listed below ("Minor"), agree as follows:

I affirm and acknowledge that the Minor is participating in the Program for their own personal benefit. I understand that the Minor will participate in recreational and other activities as part of the Program and that such activities have inherent dangers and physical risks. I understand and acknowledge that the inherent dangers and physical risks involved in these activities are such that no amount of care, caution, instruction or expertise can completely eliminate them. These dangers and risks include, but are not limited to, loss of or damage to personal property, strains, sprains, bruises, heat exhaustion, and other personal injuries, or even death, that could result from tripping, falling, contact with other individuals, and equipment failure, among other causes. I assume responsibility for all risks, known and unknown, involving the Minor's participation in the aforementioned activities, and I voluntarily authorize the Minor's participation in reliance upon my own judgment and knowledge of the Minor's experience and capabilities.

Additionally, I understand that the coronavirus ("COVID-19") has been declared a worldwide pandemic by the World Health Organization and has become more widespread, including within North Carolina. COVID-19 is very contagious and believed to be spread mainly from person-to-person contact. I understand and appreciate that there are known and potential dangers of utilizing the Program's facilities, services and programs, and I acknowledge that the use of these facilities and services may, despite the Program's reasonable efforts to mitigate the dangers, result in exposure to COVID-19, which could result in quarantine requirements, serious illness, disability and/or death. The Center for Disease Control and state and local health departments are reviewing and updating their respective guidance on the pandemic and its impact nearly every day.

I represent that I am acting on my behalf or as the parent or legal guardian of the Minor and I have authority to enter this Agreement. I also represent that the Minor is in proper physical and other condition to participate in the Program. I understand that it is my sole responsibility to determine whether the Minor is sufficiently fit and healthy enough to participate in the Program, and if necessary, I will consult with the Minor's physician for appropriate guidance.

On behalf of myself and the Minor, I hereby agree to indemnify and hold harmless NC State Grange, NC Cooperative Extension, NC State University, NC A&T State University, the NC 4-H Youth Development Program, and their trustees, officers, directors, employees and agents (the "Released Parties") from any liability, losses, costs, damages, claims or causes of action of any kind or nature whatsoever, and expenses, including attorneys' fees, arising from, resulting from, or relating in any way to the Minor's participation in the Program. I further agree that if, despite this Agreement, the Minor or anyone on the Minor's behalf, makes a claim against any of the Released Parties, I will indemnify, defend and hold harmless each of the Released Parties from any liabilities which may be incurred as a result of such claim.

I understand that the Minor and I are required to be familiar with and abide by the Program's rules and regulations, including the Code of Conduct and/or any safety regulations established for the benefit of all participants. I accept sole responsibility for the conduct and actions of the Minor while they are participating in the Program. I understand that this is a legal document which is binding on me, my heirs and assigns and on those who may claim by or through me. I am eighteen years of age or older, and have full capacity to enter into this agreement and do so voluntarily.
